National Update:

Coronavirus is now in all 50 states

- Coronavirus is now reported to be in all 50 US states after West Virginia confirmed its first case Tuesday. West Virginia Gov. Jim Justice announced at a news conference Tuesday that the state had a case of coronavirus.

The US doesn't have enough stockpiled medical equipment for the pandemic, health officials warn

- Officials from the Department of Health and Human Services told medical professionals on a conference call today that there was not enough personal protective equipment in the Strategic National Stockpile to fulfill anticipated gaps in state and local supplies, according to a source who was on the call.

Pentagon prepares to ready Navy hospital ships to support coronavirus response

- Gen. Mark Milley, chairman of the Joint Chiefs of Staff, is preparing to sign orders that could lead to the deployment of both of the US Navy's hospital ships and a mobile hospital facility, according to two defense officials.
- Trump is sending a hospital ship to New York, governor says
Gov. Andrew Cuomo said today at a news conference that the federal government will be dispatching the USNS Comfort hospital ship to New York to assist with the health care capacity. Cuomo said it would be docked in New York City harbor.

Treasury and IRS to delay federal tax payment deadline by 90 days.

- Filing must still be completed by April 15; the payment portion is what has been extended

Google delays its rollout of a coronavirus website

- Google will delay the rollout of an informational coronavirus website until later this week, instead of a Monday launch date, the company said.
 - **What the website will not have:** Despite the reference to screening and testing, Google still does not appear to be developing a nationwide tool to directly survey patients for their symptoms and guide them to testing sites, as the Trump administration has claimed in recent days.
 - **What it will have:** The website is expected to display information about how Americans can access screening, and list other information about local testing sites.

US Social Security offices will close in-person services starting Tuesday

- Beginning today, US Social Security offices will close for in-person appointments and will only provide phone service. The agency said it is doing this to protect older Americans.

Trump confirms US-Canada border will be closed to non-essential traffic

- President Trump confirmed on Twitter that Canada and the US will close their border to non-essential traffic.

Many business across the country are changing their hours and creating senior only hours

- Dollar General to dedicate first hour of shopping to elderly customers amid pandemic
The US chain Dollar General is dedicating its first open hour every day to "senior shoppers" in response to the coronavirus pandemic.
The new modified hours will begin on Tuesday local time, the Dollar General Corporation said in a statement.

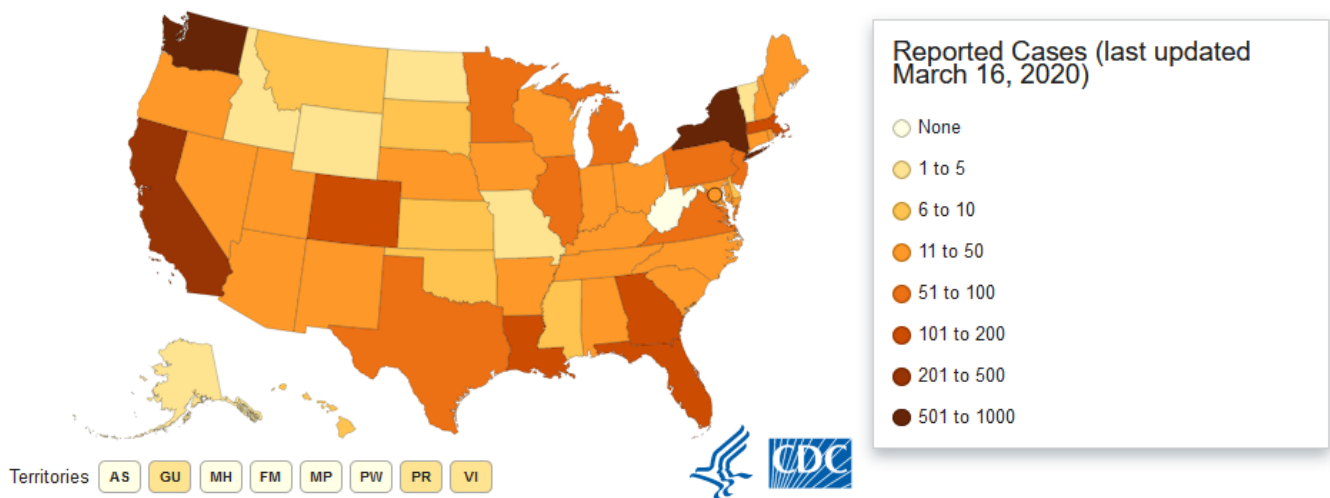

Foot Locker and Nordstrom to close stores across North America

- The US stores Foot Locker and Nordstrom both announced temporary closures today due to the coronavirus pandemic

Fitness centers and gyms start closing down across the US

- The Life Time chain of fitness clubs, based in Minnesota, is closing all of its locations, effective immediately, said the company on Monday.
- LA Fitness gyms will also be closed nationwide from today through at least April 1

- Affected individuals and businesses unable to file on time. Filing must still be completed by April 15; the payment portion is what has been extended

DMV allows customers to avoid coming to a DMV office for 60 days

<http://www.oesnews.com/dmv-allows-customers-to-avoid-coming-to-a-dmv-office-for-60-days/>

The Community Care Licensing Division (CCLD), Child Care Program Office

- provides licensees with more information about topics related to the COVID-19 virus and to address questions impacting licensed facilities. Questions contact your local office: <https://www.cdss.ca.gov/Portals/9/CCLD/Community%20Care%20Licensing%20Division%20Child%20Care%20Offices.pdf>

California counties ask residents to shelter in place

- **Alameda, Santa Clara, Marin, San Francisco, San Mateo, and Contra Costa** have signed a Public Health order for sheltering in place for three weeks beginning 3/17/2020
- **Monterey County:** The order begins at midnight on Wednesday and will last for three weeks until April 8
- **San Benito County:** The order starts midnight on Wednesday until April 7
- **Orange County:** Effective immediately and continuing until 11:59 p.m. on March 31,

COVID-19 CALLING ALL CALIFORNIANS!

Every Californian can safely help their community during these difficult times. Here are some ways you can make a difference:

Deliver Meals

Vulnerable seniors are at greatest risk amid COVID-19. Let's help keep them safe and cared for. Contact your local Meals on Wheels organization, visit www.mealsonwheelsamerica.org

Donate to a shelter or food bank

During this time organizations are running low on food items, help them stay well stocked for those in need. Visit www.serve.ca.gov to find one near you.

Volunteer at a food bank

Food banks are in great need of volunteers to help pack and sort food. They are taking precautions to prioritize volunteer safety. Visit California Association of Food Banks at www.CAfoodbanks.org

Support Nonprofits

Nonprofit organizations serving vulnerable communities - the seniors and low-income families - need your help. Find a fund to donate to nonprofits in your community on the Philanthropy California COVID-19 Response Page: www.philanthropyca.org/covid-19-response

Wellness Checks

Check on Older Neighbors with a Call, Text or Talk through the door

Hygiene Kits

Create hygiene kits and drop off at a shelter for people experiencing homelessness to help them stay healthy.

Donate Blood

Donated blood has decreased dramatically. Healthy, eligible donors are urged to come out and give to ensure there's lifesaving blood on the shelves for those who need it most. Visit the American Red Cross: www.redcrossblood.org/give.html#find-drive

Office of the Governor

California Community Colleges Chancellor's Office (CCCCO)

- Established a website for COVID-19:
<https://www.cccco.edu/About-Us/Chancellors-Office/Divisions/Communications-and-Marketing/Novel-Coronavirus>
- 74 (+14) of the 115 California community colleges are working to transition educational services to online delivery, with many closing or suspending classes for days or weeks to make the transition.
- The California Board of Governors is expected to approve a measure March 16, 2020 that would grant the state Chancellor additional authority to take all appropriate actions, including by executive order, to allow the continued education of community college students during the period of emergency proclaimed by the Governor. These actions may include the temporary suspension of regulations adopted by the Board of Governors and the suspension of local rules and regulations that are a barrier to the continuity of educational services..

University of California System (UC)

- UC has established a website that compiles public info at:
<https://ucnet.universityofcalifornia.edu/news/2020/01/ucs-response-to-coronavirus.html>
- No new Updates

State University System (CSU)

- Established a website at <https://www2.calstate.edu/coronavirus/Campus>
- Based on the Governor's statement that people who are 65 or older or vulnerable to COVID-19 must practice home isolation, the CSU Office of the Chancellor has directed all Chancellor Office employees so categorized to stay home and telework if possible or be placed on administrative leave. .
