

CANVAS QUICK GUIDE

LOGGING IN

- ☐ Follow the RCCD Canvas link: <https://rccd.instructure.com/login/canvas>
- ☐ Ensure that you are using a Canvas supported browser, which includes Chrome, Firefox, and Safari. Always use the most current version of your preferred browser. A computer (PC or MAC) is recommended.
- ☐ Your Canvas username is your RCCD student email address (yourusername@student.rccd.edu)
- ☐ If you do not know your RCCD student email address, you can view it on WebAdvisor under “Student Email” in the Student Menu.
- ☐ If you have never used Canvas before, your initial password is “newstudent” (all lowercase, no quotes). You can change your password after your initial log in.

USING MOBILE DEVICES

- ☐ The Canvas Student app is the mobile version of Canvas that helps students stay current with their courses anywhere. You can download the Canvas Student app for both Android and iOS devices.
- ☐ Some features may not function as expected compared to viewing Canvas in a fully supported desktop browser, since the Canvas interface was optimized for desktop displays.
- ☐ Canvas offers limited support for native mobile browsers on tablet and mobile browsers such as Safari, Chrome, and Firefox.

HELPFUL LINKS

- ☐ https://www.rccd.edu/admin/ed_services/de/Pages/students-start.aspx
- ☐ <https://rccd.instructure.com/courses/626/>

Canvas help is available 24 hours a day/7 days a week by calling (844) 603-4264.
