

Photo ID

College ID cards are issued in Admissions and Records, free of charge, to students who are enrolled in courses, with Norco College as their home college location. Students must show a photo ID before a college ID card is created. Students without a valid form of ID may present a school yearbook with their photo and name clearly printed.

Why should you get a College ID?

College ID cards can be used in multiple ways: from RCCD library card, free entry to district athletic and performing art events, to discounts at movie theatres, local restaurants and multiple attractions throughout California.

RCCD has also collaborated with the RTA (Riverside Transit Agency) to provide a free bus pass to enrolled students. Some exceptions apply:

- Students must remain enrolled in one or more unit throughout the term
- If students are waitlisted for their course(s), you are not eligible for the free bus pass
- College ID cards take 24-36 business hours to activate once printed from Admissions & Records

Replacement ID Cards

Students may receive two free ID cards per term. Third replacement ID will require payment of \$5 before ID card is printed.

Photos

Photo ID image needs to be clear! The following are prohibited when photo IDs are taken:

- Sunglasses
- Masks
- Side view or profile shots
- Hand gestures (peace sign and etc...)

Students with religious affiliations may be photographed with appropriate clothing or headwear as long as the photo captures the individual's face.
