## **Loss of Registration Appointment and/or CCPG Appeal Instructions**

**\*\*Students are required to see a counselor to address any dismissal holds before submitting the CCPG Appeal\*\***

### **Loss of Registration Appointment:**

Per title 5, Section 58108 Regulations of the California Community College System, your calculated academic standing will impact your assigned registration appointment for future terms. A second consecutive term (fall/spring terms) on academic dismissal will result in the loss of continuing registration order. This will also apply to any student over 100-unit limit (excluding non-degree applicable and ESL courses). This means you would register after all continuing and new students thereby possibly losing your opportunity to enroll in courses needed to meet your educational goal.

Students may appeal their registration appointment at their home college based on allowable reason(s) as listed on the form.

### **Loss of California College Promise Grant (CCPG):**

A student who is on a second consecutive term (fall/spring terms) on academic dismissal will result in the loss of the CCPG. Any combination of two consecutive terms of cumulative GPA below 2.0, and/or cumulative unit completion of not more than 50 percent may result in loss of fee waiver eligibility. **Foster Youth and Former Foster Youth up to 24 years of age are exempt and do not need to submit an appeal.**

### **Instructions to submit appeal:**

1. **Complete** the appeal form and identify reason(s) for exception.
2. **Attach** all related supporting documents to justify the appeal reason(s). For an extenuating circumstance exemption, documents such as doctor's notes, accident report, loss of job, etc. may be included.
3. **Submit** the completed appeal form to the Admissions & Records Office at your home college. A valid photo ID must be presented.
4. **Results** of appeal will be sent to you via your RCCD student email within 5 business days. Please make sure your RCCD email is activated.
