Parent/Guardian Approval:

- Student Responsibilities: Students must act on their own behalf. Parents, guardians, relatives, or friends of Norco College students are not permitted to enroll, drop, or add classes on behalf of the student. The same applies to requesting transcripts or grade verifications.
Student Records: Under Section 49061 of the Education Code, parents of community college students do not have a right of access to their children's student records, regardless of whether the student is under the age of 18. In accordance with this regulation, students' college records will be released to parents only with the written consent of the student.
Contacting Instructors: Your student is enrolled in a college course and it is important to understand that instructors work directly with students, as opposed to the type of parent interventions you may be accustomed to at the high school level. Under FERPA (Family Educational Rights and Privacy Act), instructors are not required to discuss student performance or other student-related issues with parents. Norco College does not accommodate parent requests to contact instructors.
Course Content/Material: Norco College is an adult learning environment. As such, discussion topics and course materials are generally designed for adult students and may not be appropriate for younger students. Please note, college computers are not blocked from adult content, although use of our computers for viewing explicit material is not permitted.
Norco College assumes no responsibility for the supervision of minor students outside of the classroom setting. Parents are responsible for providing transportation and ensuring that their children are appropriately supervised before and after class.

Signature on this document certifies that I have read, understand, and agree to the above policies and requirements and that my child intends to register in public college classes that are not specifically designed for students under the age of 18, and that Norco College accepts no responsibility for any extraordinary supervision of students less than 18 years of age. Further, I accept responsibility for my child's behavior while he/she is attending a Norco College class. I acknowledge that my child will be creating a permanent college academic record at Norco College, even though he/she is concurrently enrolled in high school.

Furthermore, I give permission for emergency first aid and treatment for my minor child/legal ward in the event of an accident or sudden illness. I also give permission for him/her to be treated by a nurse, physician, and/or mental health counselor in the Health Services Center at Norco College.
