Dear Students and Families:

It gives me great pleasure to welcome you to the **2026-2027** school year.

The Upward Bound team is excited to work with our students and their families this year.

Our goal is to create and provide an educational environment where students can learn, grow, and focus on their education. The purpose of Upward Bound is to provide engaging activities, assist students with the college application process, and prepare students for upcoming standardized tests. We believe that by participating, our students will feel confident about the college application process and improve their standardized test scores.

By participating in this program, every student and their family has made a commitment to their future. Our program is designed for students who want to take advantage of every opportunity available to them, as well as students who take their education and future very seriously. We hope that all our students remain in the program until they graduate from high school and move on to higher education. ***This program requires a long-term commitment.***

All our students have stated they want to enroll in college and have a career. To meet that goal, our program is here to motivate, guide, and help you. We are committed to remain by your side until you complete high school and enroll in a college/university. For students to succeed, it's crucial our staff, students, and parents/guardians work together. We will do everything in our power to help you succeed academically and help you meet your academic goals.

Upward Bound will provide you with up-to-date information if, and when any change occurs. Upward Bound is here to help you, guide you, and answer any questions you may have.

Here's to another positive and productive academic year.

Sincerely,

Miriam L. Carrillo

Tutoring Attendance Policy

Any student who has earned a **grade of “D” or lower** in one of their core classes, in their most recent grades must attend one hour of tutoring weekly for each class. **The program staff asks that parents ensure their student attends, if they are required to.** Tutoring will be offered in person at our high schools. A Tutoring schedule will be shared with all students. It is very important that all students take advantage of this academic support.

Saturday Academy Attendance Policy

Upward Bound students are expected to attend every Saturday Academy. Please refer to the calendar in this handbook for specific dates. If a student must miss an academy, **it is the student’s responsibility to request to be excused** prior to the academy. A student may request to be excused from a maximum of two (2) academies. If a student needs to miss more than the academies allowed, it will be handled on a case-by-case basis.

Please note: Requesting to be excused **does not** guarantee a student will be excused. If a student is ill on a Saturday Academy, we ask that the parent/guardian contact their student’s coordinator as soon as possible to inform them of their absence.

Students are expected to arrive on time and be picked up on time. We kindly ask all parents/guardians to please refer to the Saturday Academy schedule and plan accordingly.

In addition to the current Saturday Academy Calendar, test preparation will be provided for 11th graders to prepare them for the SBAC/CAASPP. This schedule will be shared with 11th graders prior to Spring 2025. Please keep an eye out for more information and details.

UB & UBMS Objectives (We Work Towards Meeting These!)

1. Students earn at least a 2.5 GPA.
2. Students score “proficient” in their SBAC exams, which they take during Spring semester during 11th grade. Specifically, Mathematics, Language Arts, and for UBMS students, in Science as well.
3. Students move on to the next grade level each academic year.
4. Students meet A-G requirements by 12th grade.
5. Students enroll in a college or university by Fall, immediately after high school graduation.
6. Students earn an AA or BA within 6 years of graduating from high school.
7. UBMS students earn an AA or BA in STEM within 6 years of graduating from high school.

Field Trip Policy

The health and safety of our students and staff is our priority. We will provide information and guidance prior to offering an in-person field trip. Field trip participation and attendance is encouraged, but voluntary. Space **is limited** for in-person field trips.

When Virtual field trips are offered, they are open to all students who are interested, as space permits.

To be eligible to attend in person field trips, students must be in good standing with the program. This includes regular attendance and participation in:

- Saturday Academy
- Tutoring
- Academic Advising with their coordinator
- Regular communication with staff

Students will only be invited if they are in good standing. If a student is invited on a field trip and commits to attending, they are responsible for ensuring they can attend and turn in the required permission slip and any additional forms, if applicable. Should the student not be able to attend, it is imperative that staff are notified as soon as possible when it is reasonable. There is never a cost to students and their families to attend field trips, however the program absorbs all costs including transportation, meals, and any admission costs. Providing timely notification will ensure another student is invited in their place.

There may be some instances when “good standing” may be waived, at the director’s discretion. Although attendance is voluntary, students are highly encouraged to attend when invited.

CYBERBULLYING

Cyberbullying is bullying that takes place over digital devices. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can include sharing personal or private information which causes embarrassment or humiliation. Some cyberbullying crosses the line into unlawful or criminal behavior.

Cyberbullying can harm the online reputation of everyone involved – not just the person being bullied, but those doing the bullying or participating in it. Cyberbullying has unique concerns because it can be permanent. Most information communicated electronically is permanent and public, if not reported and removed. A negative online reputation, including for those who bully, can impact college admissions, employment, and other areas of life.

The most common places where cyberbullying occurs are:

- Via cell phone, computer, or tablet
- Email
- Social Media: Facebook, Instagram, Snapchat, Tik Tok, Twitter and others
- Text Message sent through devices, cell phone apps.
- Instant Message (via devices, email provider services, apps, and social media messaging features)

Cyberbullying is prohibited during and outside of Upward Bound Program hours. Cyberbullying will not be tolerated.

- 1) Engaging in cyberbullying will be cause for dismissal.

Upward Bound is aware that some students follow specific diets for various reasons. This includes but is not limited to the following diets: vegetarian, vegan, dairy free, and gluten free.

One of the main reasons for specific diets is food allergies. We understand that students can have life threatening reactions with some exposure to even tiny amounts of an allergen.

Parents may list specific dietary needs on their student's **Medical Form**. Upward Bound staff will work with our students and families to meet our students' dietary needs.

Our staff is committed to meeting our students' needs. Parents and students may update their **Medical Form** at any time. Please update your **Medical Form** if there are any changes in a student's diet, regardless if it is temporary or long term.

RIVERSIDE COMMUNITY COLLEGE DISTRICT Discrimination/Sexual Harassment Complaint Procedure Summary **Your Right to File a Complaint**

This is a summary of your right to file an informal or formal complaint of discrimination or sexual harassment. Please see Board Policies and Administrative procedures BP/AP3410 and BP/AP3430, and AP3435 for the complete District procedure at <http://rccd.edu/administration/humanresources/DEC/Pages/Complaint.aspx>

Available in alternate formats

INFORMAL/FORMAL COMPLAINT PROCEDURE:

- ☐ You have the right to request that the charges be resolved informally, at which time the District will undertake efforts to informally resolve the charges.
- ☐ You are not required to participate in the informal resolution process.
- ☐ You have the right to file a formal complaint, even if you have previously requested informal resolution (see below for the procedure for doing so).
- ☐ You will not be required to confront or work out problems with the person accused of unlawful discrimination.
- ☐ You may file a non-employment-based complaint with the U.S. Department of Education Office for Civil Rights (OCR) where such a complaint is within that agency's jurisdiction.
- ☐ If your complaint is employment-related, you may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency's jurisdiction.
- ☐ Retaliation is unlawful. If you feel you are being retaliated against as a result of filing a complaint, please contact the RCCD Human Resources & Employee Relations Department immediately (951) 222-8595.

PURPOSE OF THE INFORMAL RESOLUTION PROCESS:

The purpose of the informal resolution process is to allow an individual who believes she/he has been unlawfully discriminated against to resolve the issue through a mediation process rather than the formal complaint process. Typically, the informal process will be invoked when there is a simple misunderstanding or you do not wish to file a formal complaint. Resolution of an informal complaint may require nothing more than a clarification of the misunderstanding or an apology from the alleged offender and an assurance that the offending behavior will cease. You will be notified of the outcome of the investigation in the informal process, and will also be notified of the resolution proposed by the District.

If you pursue the informal process, you should note the following important points:

- ☐ You may need to sign a document which indicates that you have selected the informal resolution process.
- ☐ The District will complete its investigation within the time period required by Board Policy unless you voluntarily rescind your complaint prior to completion.

Selecting the informal resolution process does not prevent you from later deciding to file a formal complaint (subject to all of the rules for filing a formal complaint). You can do this while the informal process is still underway, or if the informal process has been completed and you are not satisfied with the outcome of the District's proposed resolution, provided that the time period for filing a formal complaint has not passed.

The investigative summary report is the District's Administrative Determination.
