2013-2014 Student Employment Candidate Request Form

Гoday's Date:		
Supervisor Name:		
E-mail Address:		
Department/Hiring Site:		
College:		

<u>Supervisors:</u> Please provide the information below. Remember that District and FWS jobs post separately with their own job listing numbers if you requested both funding options. Please check the correct funding for each job listing number. E-mail the form to your Student Employment Specialist when completed. The SEO will return the form to you via e-mail with the eligibility status of each candidate. A "Y" in the district or FWS column indicates the student is eligible for that particular program. An "N" indicates they are not eligible for that particular program and should not be interviewed for that position. *Student's must be hired at their home college ONLY for FWS positions. If there home college is different than where being hired, they will be ineligible.
