

**JUNE 2014**

Norco IMC invites you to take a look back at graduation celebrations held in the early years of Norco College.

The first class of students graduated from Norco College in June 1993. The graduates and their families celebrated with a reception on campus a few weeks prior to graduation.

The tradition of a celebration on campus continued throughout the years to spotlight the achievements of Norco College's graduates and transfer students.

The festivities took place in the Student Services building and included cake, punch, and other refreshments. The names of the students who graduated or were transferring to a four-year university were displayed in the lobby to honor their achievement.

In the first five years as a campus, Norco College increased in enrollment as well as students reaching their educational goals.
