I. Open Forum:

1. The new changes to the ZOOM meetings requiring passwords to the meetings was discussed and Nicole will be updating the meeting schedule to include them. Nicole will send out the update before the next curriculum meeting.
2. Michael Bobo mentioned they there were some Humanities regular distance addenda, but Riverside sent some of the emergency forms over the summer and would like to know when they will appear. Brian Johnson stated that he sent those over to Tech Review for their next meeting and then it should be coming to our next meeting on September 22nd for a vote.
3. Discussion regarding honors being offered online. Michael Bobo mentioned that the Honors committee should comment on that matter and Brian Johnson will work with Mr. Bobo on that.
4. Nick Franco: For 20-21, Nick is in charge for sending the C-ID's for the District and will be sending us an updated spreadsheet so this committee can share with their faculty and departments. If there are any questions or have any courses you want to be submitted for a C-ID, please send him an email.
5. Brian Johnson stressed again that each disciplinary department needs to have that Emergency DE form filled out as soon as possible. A email will be coming out soon.

J. Adjourned: 3:17 p.m.

Next Meeting: September 22, 2020 * Zoom Online

Statement of Purpose

The curriculum committee, a sub-committee of the academic senate, has two primary purposes: to review and approve new curriculum including new courses, course modifications, new programs and program modifications, and to review and approve the curriculum approval process. The college curriculum committee is the sole approving body for Norco College only curriculum. For district shared curriculum it has one vote in the district curriculum committee. The curriculum committee is also responsible for keeping abreast with state mandated curriculum changes and reporting those changes to faculty. Committee members report on curriculum at their department meetings and solicit suggestions and recommendations when needed.
