F. Open Forum:

1. Discussion regarding the Honor's contract at RCC. Currently Norco College or MVC doesn't offer Honor contracts but RCC has been and allowing students to take classes that are not scheduled as an honor's course but receive honors credit. The contract is used through the CCC's and the course honor credits are recognized. Honor's enrollment has been low collegewide, so this might be a discussion to consider if we or MVC move in this direction.

Statement of Purpose

The curriculum committee, a sub-committee of the academic senate, has two primary purposes: to review and approve new curriculum including new courses, course modifications, new programs and program modifications, and to review and approve thecurriculum approval process. The college curriculum committee is the sole approving body for Norco College only curriculum. For district shared curriculum it has one vote in the district curriculum committee. The curriculum committee is also responsible for keeping abreast with state mandated curriculum changes and reporting those changes to faculty. Committee members report on curriculum at their department meetings and solicit suggestions and recommendations when needed.
