Annual Instructional Program Review Update
Instructions

*Please retain this information for your discipline's/department's use (or forward to your chair).

The Annual Self-Study is conducted by each unit on each college and consists of an analysis of changes within the unit as well as significant new resource needs for staff, resources, facilities, and equipment. It should be **submitted by April 20** or the first working day following the 20th in anticipation of budget planning for the fiscal year, which begins July 1 of the *following* calendar year.

For Program Review data, please go to the following link:
http://www.norcocollege.edu/about/president/strategic-planning/programreview/Pages/index.aspx

The questions on the subsequent pages are intended to assist you in planning for your unit.

The forms that follow are separated into pages for ease of distribution to relevant subcommittees. **Please keep the pages separated** if possible (though part of the same electronic file), **with the headers as they appear**, and be sure to include your unit, contact person (this may change from topic to topic) and date on each page submitted. Don't let formatting concerns slow you down. If you have difficulty with formatting, Nicole C. Brown can adjust the document for you. Simply add responses to those questions that apply and forward the document to nicole.brown@norcocollege.edu with a request to format it appropriately.

If you cannot identify in which category your requests belong or if you have complex-funding requests, please schedule an appointment with your college's Vice President for Business Services right away. They will assist you with estimating the cost of your requests. For simple requests such as the cost of a staff member, please e-mail your Vice President. It is vital to include cost estimates in your request forms. Each college uses its own prioritization system. Inquiries regarding that process should be directed to your Vice President.

Trends and Relevant Data

1. **How does your unit support the mission of the College?**
The Humanities discipline provides students with educational opportunities that broaden horizons, teach critical thinking and written and verbal communication skills. Diversity is an integral part of the curriculum as human culture and its artifacts and ideals are examined. Emerging technologies are utilized both in traditional and distance education sections. All aspects above provide experience critical to successful transfer, and more important, teach students what it is to be human. Humanities courses play an integral role is providing General Education options for students completing their CSU/IGETC transfer requirements.

2. **Have there been any changes in the status of your unit? (if not, please indicate with an "N/A")**

    a. Has your unit shifted departments?
    No

    b. Have any new certificates or complete programs been created by your unit?
    No

    c. Have activities in other units impacted your unit? For example, a new Multi Media Grant could cause greater demand for Art courses.
    No

3. **List and discuss your retention and success rates as well as your efficiency. If helpful, please note any differences between instruction delivery format (Online, Hybrid etc.)**
What are the changes or significant trends in the data?   To what do you attribute these changes?

The success, retention and efficiency rates have generally been above the college average, however there has been fluctuation in the scores from year to year. This may be attributed to the retirement of the sole full-time faculty in Humanities, followed by a period of time without a full-time instructor, followed by a new full-time instructor for two years, followed by again no full-time instructor for one year (2016-2017). Most notable is the higher success rate for online Humanities courses when compared to the college overall. Having the full-time faculty teach the online courses in Humanities may have had a positive effect.

4. **List the resources that you received in the last year as a result of program review. How did the resources impact student learning? If you requested resources and did not receive them, how did it impact your unit?**

Not applicable.

5. **What annual goals does your unit have for 2016-2017 (please list the most important first)? Please indicate if a goal is directly linked to goals in your comprehensive. How do your goals support the college mission and the goals of the**

Strategic Plan/Educational Master Plan?

List the goals of your unit for 2016-2017	Define activity(s) linked to the goal	Briefly explain the relationship of goal to mission and Strategic Plan/Educational Master Plan (see above)	Indicate if goal is limited to Distance Education
To maintain the integrity of the discipline by ensuring that HUM courses in NC catalog are offered based on a course rotation that supports student graduation and transfer needs as well as interest.	Monitor semester course offerings by section and total number. Revise previous course rotation and make necessary modifications based on ADTs, IGETC and student interest. Establish a 4-year rotation that maintains a balance between Hum 4/5 (Arts & Ideas) and Hum 10 (World Religions), as well as face-to-face and online sections	Goal aligns with College Mission to "provide foundational skills and pathways to transfer" and with EMPs 1, 3 and 5	Not limited to DE.
To continue building rotation of Fall and Spring course assessments to ensure quality in the discipline and enhance student learning	Review and close the loop for assessments begun last year, conduct initial course assessments to comply with mandated standards and goals for assessment & program review. (linked to comprehensive goals). Meet with adjunct faculty to coordinate, review and reflect upon assessment outcomes.	Goal aligns with College mission to provide "pathways to transfer" and "encourage collaboration," and with EMP Goals 1, 5 and 7.	Not limited to DE.
Ensure continued improvement of retention and success in all courses	Instead of using the Early Alert Roster, which spammed students for weeks, I now follow-up more assertively by conferencing privately with at-risk students in person by week 8. Continued analysis of course data to and assessment results determine successful practices	Goal aligns with College mission to "provide educational opportunities" and "pathways to transfer." EMP Goals 1, 5, and 6	Not limited to DE.

Continue to improve retention and success for distance education courses.	Continued refinement of online courses to address problematic issues. Inclusion of more video material (see #8 request below). Schedule virtual meetings with at-risk students by week 8.	Goal aligns with College mission to "serve our students." EMP goals 1and 5.	Limited to DE.
Continue development of discipline participation in Honors program	Recruit students to apply to Honors program and to enroll in Hum Honors classes. Participate in Honors program events to support program growth.	Goal aligns with College mission to "provide educational opportunities," "promote collaboration" and "provide pathways to transfer." EMP goals 1, 2 and 5.	Not limited to DE.

Your unit may need assistance to reach its goals. Financial resources should be listed on the subsequent forms. In addition, you may need help from other units or Administrators. Please list that on the appropriate form below, or on the form for "other needs."

II. Norco College - Annual Assessment Update
USE ASSESSMENT DATA FROM fall 2015-spr 16

Purpose –An annual review provides an opportunity for reflection on all that has been accomplished and learned from your efforts in assessment. The annual review is a time to take stock of which courses and programs have undergone some scrutiny, and subsequently should help with planning for the upcoming years. Things we might learn in one cycle of assessment might actually help us to plan assessments in the next cycle, or might facilitate changes in other courses that weren't even included in the initial assessment. To this end, please complete the following with as much detail as possible. If you have any questions, please contact either Sarah Burnett at sarah.burnett@norcocollege.edu, or Greg Aycock at greg.aycock@norcocollege.edu, or talk to your NAC representative.

1. Identify where you are in the cycle of SLO assessment for each course you assessed in _**fall 2015 - spring 2016**_. Each response will be individualized; this means each completed column might look a little different. You may have a course in which you are implementing improvements to close the loop on an initial assessment that was completed in a different year. You might also have a course that only has an initial assessment and you haven't yet completed any follow-up or improvement activities. (Add rows to the chart as needed.)
