Program Trends and Updates

2018 - 2021

Program Update Section

Has your unit shifted departments in the PAST 4 years?: No

Do you anticipate your unit will shift departments in the NEXT 4 years?: No

New certificates programs created by your unit in the PAST 4 years?: No

New certificate programs anticipated by your unit in the NEXT 4 years?: 2 new degrees are moving through committee: a Music ADT and a local AA. If all goes well, students will be able to graduate with a Music degree by Spring 2019.

Substantial modifications made to certificates/degrees in the PAST 4 years.: No

Substantial modifications anticipated to certificates/degrees in the NEXT 4 years.: No

Activities in other units that impacted your unit in the PAST 4 years.: MIS and MUS have student and curriculum crossover. MUS 3 and MUS 93 are required for the two MIS Certificate/Degree pathways, and depending upon whether students choose the Performance or Audio Technology Degree, MUS 4, MUS 38 and MUS 39 could all be optional courses.

Activities in other units that impacted your unit in the NEXT 4 years.: MUS and MIS will continue to interact. All other disciplines that use the theater impact MUS. The theater is our primary performance space, so the more it is used for lectures or other special events, the more it cuts into the use of the space by MUS.

Previous Program Review Resource Requests

Resource Requests Received: Color Printer and Drum equipment. The Color Printer is still in the process of being purchased, but should be available for programs and flyers for the Music Department Showcase and Choir Concerts at the end of the year. The drum equipment is still in the process of being purchased as well.

How did the resources received impact student learning?: The drum equipment will be a positive improvement for students taking Applied Music drum lessons and students in MIS 1abc and MIS 11ab.

If you requested resources but did not receive them, how did that impact student learning?: The acoustic paneling affects the sound in the theater: rehearsals, reference recordings and performances are all impacted.
